

## **TERMINAL INFORMATION**

### **Courtright (CF Industries):**

- A valid release number is required for pick-up.
- Only new carriers that are hauling hazmat products needed to register with CF. If hauling non-hazmat products, drivers need a valid order number and CDL. There may be some site specific training for first time carriers.
- New carriers to Courtright will have to watch a ten minute safety video, take a quiz, and have a photo ID badge issued (valid for one year).
